T.E.A.C.H. Scholarship Information.....	4
T.E.A.C.H. Sites .....	5
HeadsUp! Reading for Credit.....	6
Financial Aid Information.....	7
Two-year schools.....	8
Four-year schools .....	21
Map of school locations .....	54

## ***Introduction***

The Missouri Head Start Association and Head Start Collaboration Office commissioned this directory of Missouri early childhood certificate and degree programs. It was prepared by L. Carol Scott of LC Associates. Collection, organization, and publication of these data were made possible by funds from the Missouri Head Start Association, the Early Childhood Division of the Missouri Department of Elementary and Secondary Education, and the Head Start Bureau, Region VII office of the U.S. Department of Health and Human Services.

The Missouri Head Start Association and Head Start Collaboration Office wish to express their gratitude to the many faculty and staff at Missouri colleges and universities who gave so graciously and generously of their time to make this directory possible.

This directory represents a “snap shot” of programs as of late 2003; changes in the programs listed here may occur at any time.

## **The T.E.A.C.H. Early Childhood® Missouri Scholarship Project**

Licensed through the Missouri Child Care Resource and Referral Network  
(MOCRRN)

Based on the belief that Teacher Education and Compensation Helps, T.E.A.C.H. Early Childhood® Missouri is one of 22 programs in a nationwide movement to increase quality child care and education. Working with licensed early childhood educators, the T.E.A.C.H. Missouri Project is grounded in four foundations, *scholarship, education, compensation, and commitment*.

- T.E.A.C.H. starts with the award of a scholarship funding 80 to 90% of tuition for 9 to 15 college credit hours over three consecutive semesters.
- A \$40 travel stipend and weekly paid release time are also provided each semester to assist the recipient in successfully completing coursework and studies. A maximum of three hours of release time per week is allowed for each class attended.
- T.E.A.C.H. also reimburses the sponsoring center, family child care home, or group home at a rate of \$7.50 an hour for substitutes to cover this release time.
- Upon fulfillment of a contract year of three consecutive semesters, T.E.A.C.H. awards their scholars a \$300 bonus. Sponsoring facilities also agree to compensate the recipient through an additional \$300 bonus or a 2% pay increase.
- In return for the scholarship and compensation, the recipient agrees to stay in service at the center, family home, or group home for one full year after the completion of the educational contract. This agreement guarantees a two-year commitment by the teacher to the families and children served by the sponsoring facility. If the contract is broken, the recipient is obligated to reimburse T.E.A.C.H. Missouri for the full scholarship amount.
- T.E.A.C.H. Missouri monitors recipients throughout the commitment year and the year following the education scholarship, to verify employment and bonus payments.
- T.E.A.C.H. Missouri encourages all recipients to seek continued funding for their education. T.E.A.C.H. gladly “wraps around” existing scholarships. For example, if tuition and books are covered under another grant awarded to a T.E.A.C.H. scholar, T.E.A.C.H. will provide travel, release time and a compensation bonus for the contract year.
- T.E.A.C.H. Early Childhood® Missouri also provides career and financial counseling services for recipients. Some of these services are professional development counseling, program administration technical assistance, one-on-one meetings, and maintaining financial and curricular relationships with community colleges and universities.

### **The Goals of the T.E.A.C.H. Early Childhood® Missouri Scholarship:**

- ◆ To improve the quality of early childhood care and education *BY*
- ◆ Increasing the education level of early childhood educators *AND*
- ◆ Increasing the compensation for early childhood providers *THEREBY*
- ◆ Decreasing the turnover rate of early childhood providers *THUS*
- ◆ Improving the quality of care provided for our children and their families *AND*
- ◆ Creating a model of partnership in Missouri early childhood programs

T.E.A.C.H. Missouri is currently active in 26 counties across the state. Since 2000, T.E.A.C.H. has worked with 16 state colleges and universities, funded over 200 scholarships for more than 2,263 college credit hours, and issued over 81 compensation bonuses.

.....

### **T.E.A.C.H. Early Childhood® Missouri Counties**

Boone	Marion
Buchanan	Mississippi
Cape Girardeau	Pettis
Clay	Randolph
Cole	Scott
Douglas	St. Charles
Dunklin	St. Francois
Greene	St. Genevieve
Jackson	St. Louis City
Jasper	St. Louis
Laclede	Stoddard
Lawrence	Webster
Linn	Wright

**For more information on T.E.A.C.H. Early Childhood® Missouri**, contact Beth Ann Lang, Project Coordinator, at 314.535.2020, ext. 4 or [moteach@mocccrn.org](mailto:moteach@mocccrn.org).

## ***HeadsUp! Reading for Credit***

*HeadsUp! Reading* is a nationally broadcast satellite course on early literacy development. The Council for Professional Recognition, National Head Start Association, and Rise Learning Solutions designed *HeadsUp! Reading* (HUR) to be consistent with college level coursework. The weekly sessions are based on the latest research in early literacy and are presented by nationally recognized professionals with high levels of credibility in this topic area. The weekly presentations are filled with content, interactive exercises, video segments, and suggested readings and assignments, all at a level appropriate for a college course. The course is offered as 30 or 44 hours of broadcast and the 30-hour version can easily be supplemented in a variety of ways to provide the 45 hours of faculty-student contact time common for a three-credit course. Across the country, over 100 colleges and universities offer HUR for credit at the associates, baccalaureate, and post-baccalaureate levels. Seven states have adopted HUR as a statewide literacy initiative.

As of Fall 2003, 14 of Missouri's 42 schools that offer early childhood/child development degrees were offering HUR for credit, either as a degree requirement or an elective. Directory entries for each school/department indicate those that have offered HUR for credit and provide contact information for more information.

The current funders of *HeadsUp! Reading* and similar courses in Missouri include the Missouri Head Start Collaboration Office, Department of Health and Senior Services/Bureau of Child Care, Department of Elementary and Secondary Education, and the Missouri Head Start Association.

## ***FINANCIAL AID***

Many students who do not currently qualify for tuition support from a Head Start program, a T.E.A.C.H. Kansas scholarship or the Apprenticeship Program will need help covering the costs of tuition and fees. All schools begin the process of determining eligibility for financial aid in the same way. Completion of the *Free Application for Federal Student Aid (FAFSA)*, available on line at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). A paper copy of this form can be obtained by contacting the financial aid office at any community college, college or university. Each entry in this directory contains the phone number for the financial aid office at that school.

According to *A Financial Aid Guide for Early Care and Education* (2002) from the Wheelock College Institute for Leadership and Career Initiatives, "In applying for the fall semester, students should apply as soon as possible after January 1 of that year. While the deadline for applying for federal aid [such as Pell Grants] is June 30, other campus based financial aid, which may also use the FAFSA to determine eligibility, may have its own deadlines" (p.4).

This financial aid guide from Wheelock was used as a source for the following helpful web sites:

Students may also want to know more about the Hope Scholarship and Lifetime Learning Tax Credit. Both are tax credits subtracted from the amount of tax owed, not scholarships or tax deductions, according to *A Financial Aid Guide for Early Care and Education* (2002) from the Wheelock College Institute for Leadership and Career Initiatives. For more information about these tax credits, contact the financial aid office at any school listed in this directory.

To obtain a copy of *A Financial Aid Guide for Early Care and Education* (2002) from the Wheelock College Institute for Leadership and Career Initiatives, send an email to [institute@wheelock.edu](mailto:institute@wheelock.edu) or phone (617) 879-2211.

## ***Two-Year Schools***

### **East Central College**

1964 Prairie Dell Road

Union, MO 63084

General Admissions: 636.583.5195 ext. 2223

Financial Aid: 636.583.5195 ext. 2690

School Web Site: [www.eastcentral.edu](http://www.eastcentral.edu)

Satellite campuses: Rolla, Sullivan, Washington

### ***Credentials and Degrees Offered:***

	EC Credits	Total Credits
Courses for CDA Yes		
AA with Early Childhood Education concentration	24	72

Content Specialization Options:	None
Credit given for experience?	Yes Maximum credits: 3
Students in program:	140
Graduates per year:	40
Credit for HeadsUp! Reading?	Yes
